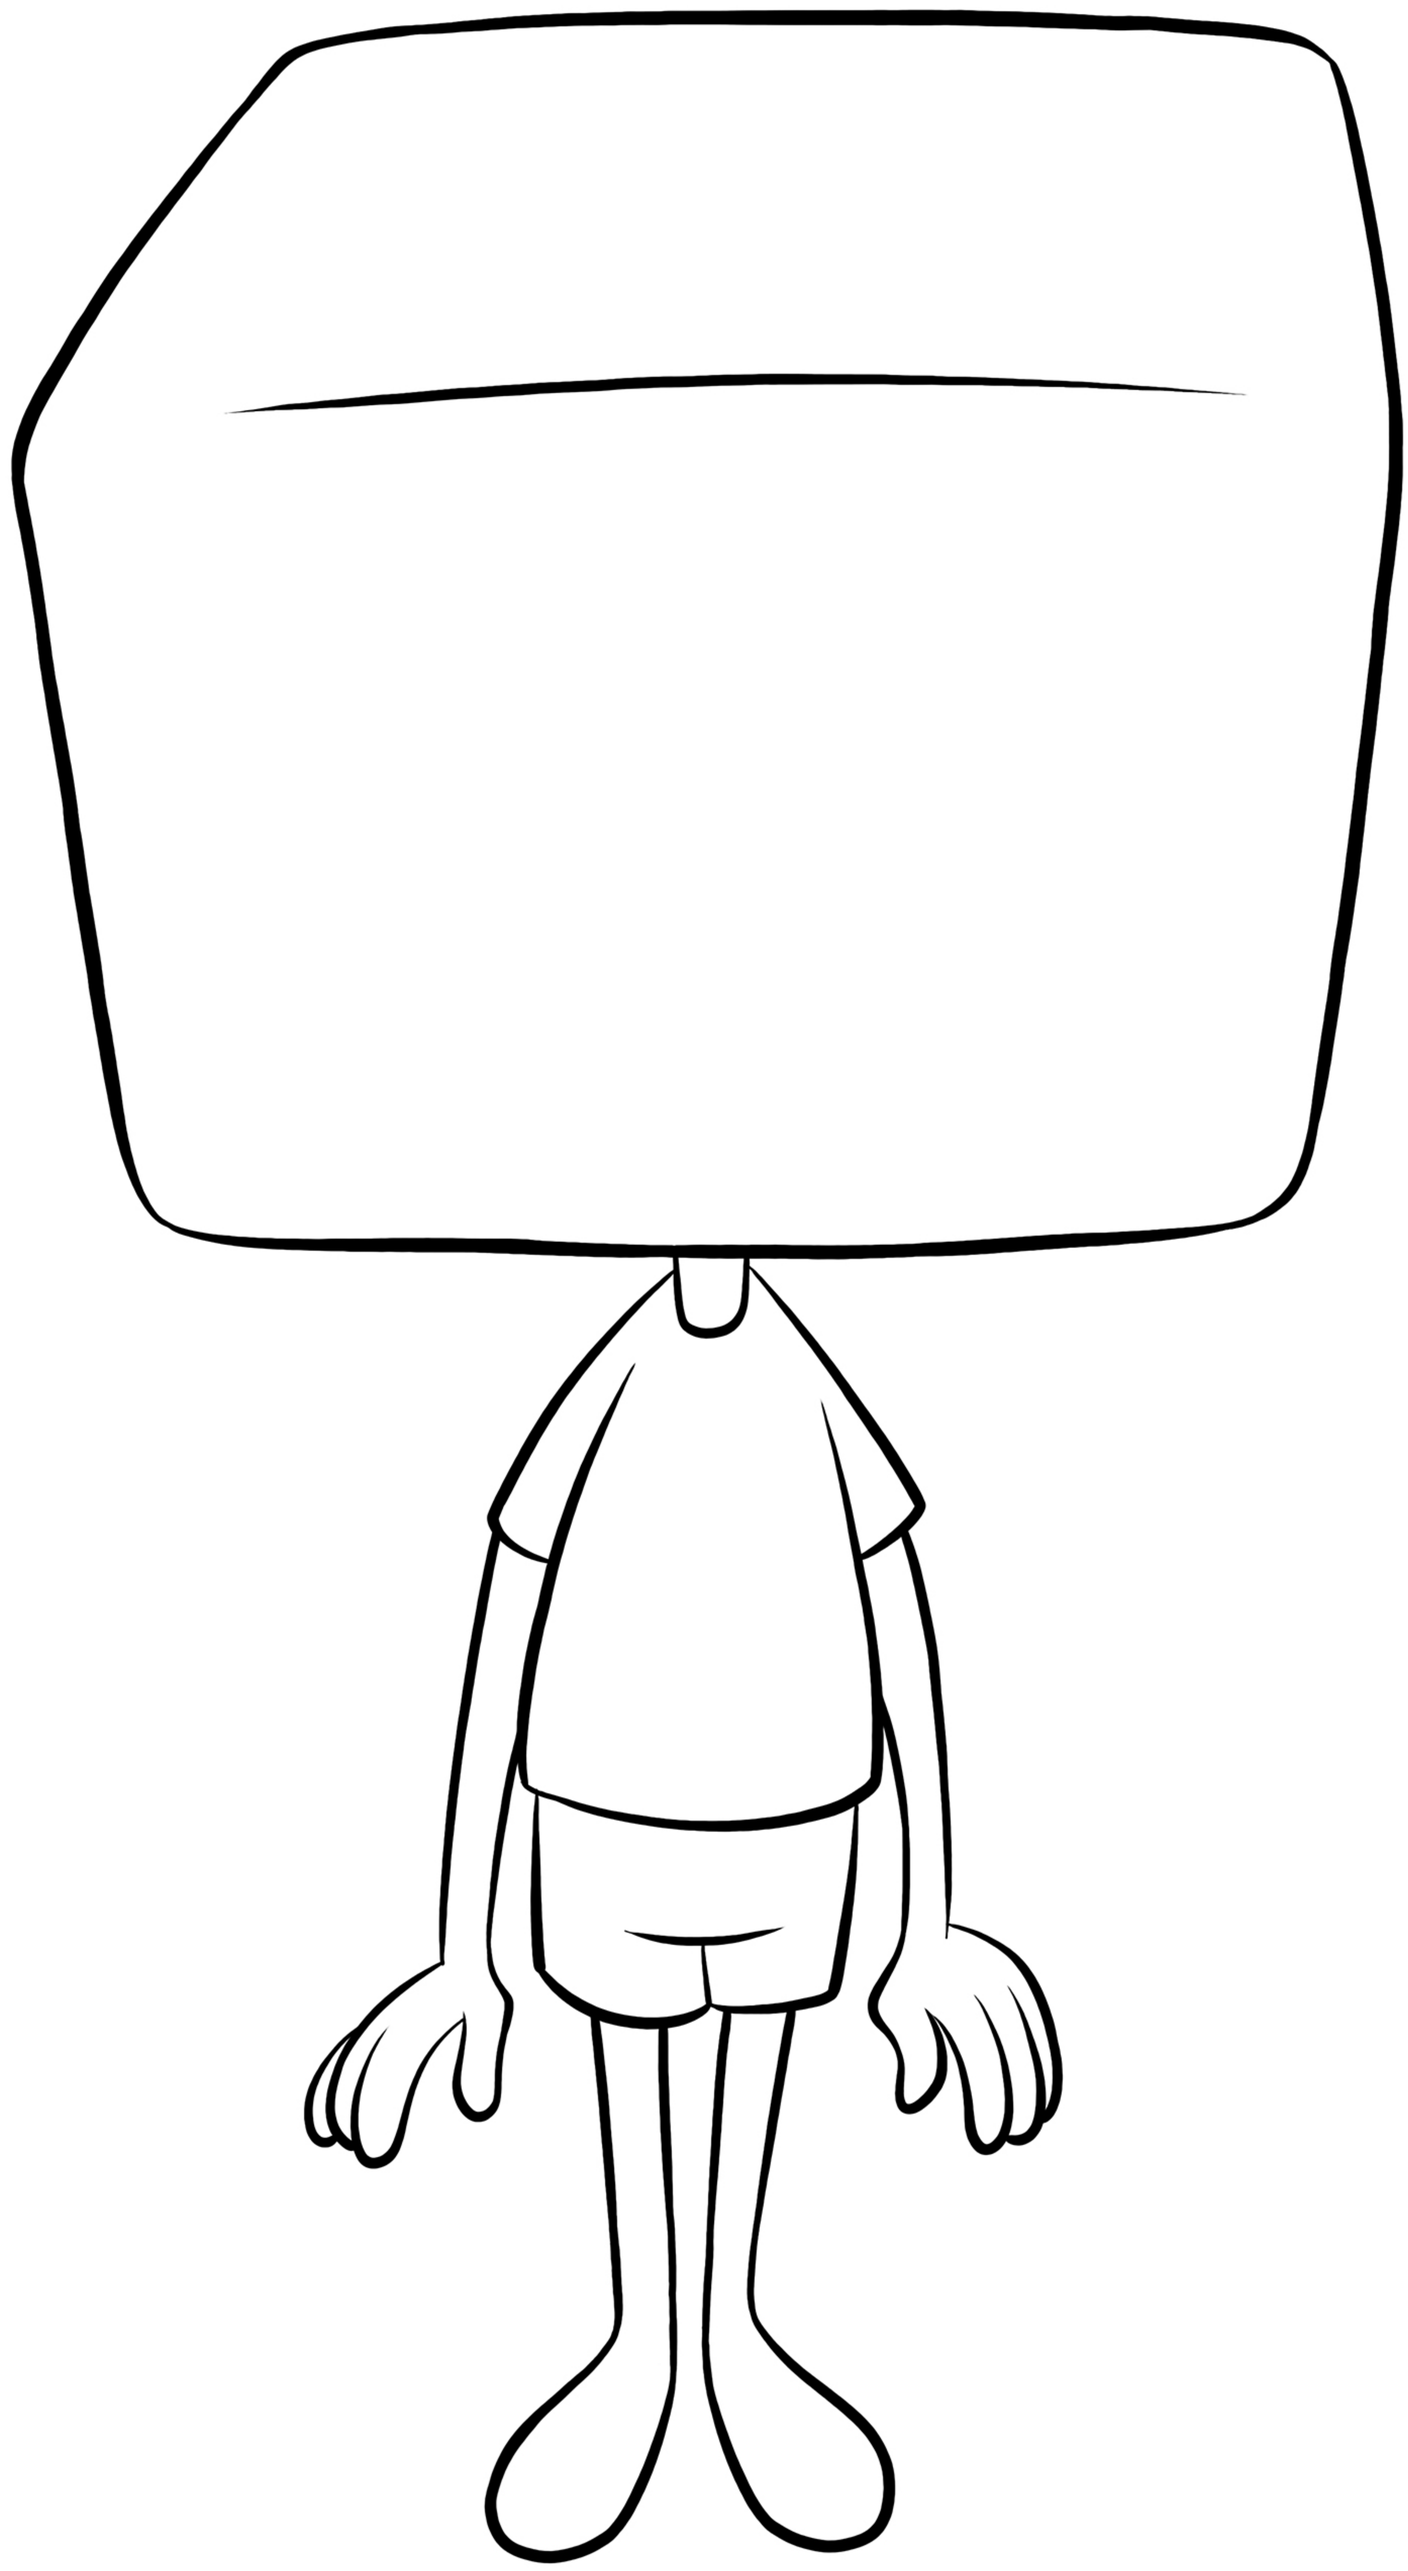
DESIGN YOUR NET USER

Net Users are avatars that represent people from the real world as they explore the internet. When a person moves their cursor around on a computer screen, they are moving their Net User avatar within the internet. Net Users move around inside the internet to gather information and play online games. What would your Net User look like?

NOV. 21



PARENTAL GUIDANCE SUGGESTED
PG SOME ACTION AND RUDE HUMOR
Some Material May Not Be Suitable for Children
